

Greetings SCAHPERD Future Professionals Mentors/Advisors!

With the 2018 SCAHPERD convention just around the corner, it is time to start thinking about **Superstars**. The Future Professionals have many fun activities planned for this year as part of Superstars. Will Coastal repeat to earn the title of Super Stars or will another university/college dethrone them??

We hope you will strongly encourage your students to attend the 2018 SCAHPERD conference. We have been very intentional in scheduling Superstars so that Future Professionals can attend key presentations and interact with current professionals. Superstars and the conference is a great opportunity for Future Professionals to socialize, network, engage in friendly competitions, and interact with other Future Professionals throughout the state. SCAHPERD allows them to experience a professional conference, and hopefully the experience will be a catalyst for future professional involvement.

Please find the team entry form for the **Superstars Competition** below. It is imperative that we have an idea of approximately how many participants are going to be involved as we plan the events and order T-Shirts. Please complete the form provided, and return by **October 19, 2018 to ensure your team receives conference t-shirts**. Each team must consist of **6 members**, including **at least 2 females**. **Each team member must be a member of SCAHPERD and registered for the convention**. Registration for Super Stars will close on Friday, November 2, 2018. As the advisor, please ensure all of your students completed all requirements for Superstars participation. Please note: Students MUST pick up their conference registration in the main building of Embassy Suites prior to coming to the Superstars registration.

A faculty advisor is necessary for team participation. Please indicate below the faculty advisor and provide their contact information. The faculty advisor listed must be present at the conference.

If you have any other questions or need additional information regarding Future Professionals or Superstars, please feel free to contact Karie Orendorff at [karie@email.sc.edu](mailto:karie@email.sc.edu) or Kristin Hutchins at [Kristinashleyhutchins@gmail.com](mailto:Kristinashleyhutchins@gmail.com)

Thank you and we look forward to seeing you at SCAHPERD 2018!
